

CERTIFICATE

Number: 2252764

Issued to:

Visser Afvalverwerking Transport en Recycling B.V.

Kelvinstraat 30
8861 ND Harlingen
Netherlands
CoC no.: 01089004

NCS 8080-1:2024+A1:2025 (Better Biomass) **(NTA-8080-1, NTA-8080-2, NTA-8080-3 and NTA-8080-4):2024+A1:2025**

Scope: Producer (collector non-primary residual flows) and Processor
Geographical coordinates: 53° 17' 79" 05° 45' 43"
Production process(es): Producer being collector of non- primary residual flows / Processor
Chain of custody model: Mass balance
Multi production locations: Covered production locations in the annex of this certificate
More information on the Certificate holder can be found in the Summary Audit Report in the Better Biomass Register.

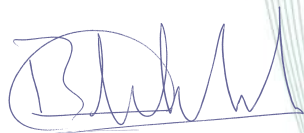

DEKRA Certification B.V. declares that the process(es) and production location(s) specified on this certificate have been assessed for the specified scope(s) in the framework of Revised Directive 2018/2001.

Nothing has come to our attention to cause us to believe that production process(es) and output of these processes do not comply with Better Biomass requirements in (NTA-8080-1, NTA-8080-2, NTA-8080-3 and NTA-8080-4):2024+A1:2025. In addition; if the scope of this certificate includes 'collector of primary residues and waste' and or 'collector of non-primary residues and waste' nothing came to our attention that production process(es) have been modified to produce more residues and waste.

This certificate cannot be used as a certificate of guarantee of (delivered) goods.

Certificate expiry date: 19 September 2027
Certificate effective date: 6 November 2025
Certified since: 19 September 2022
